

BIG IRON CLASSIC-TRUCK PULLING

RULES OF ENGAGEMENT

1. Alcohol consumption should be refrained if you are participating in the pull.
2. Golf carts must be parked in the pit area when the pull begins, this includes the spectators also.
3. Hitch height will be measured when suspension is inflated and you are on standby for hook up.
4. If you choose to chain your axle it must be a minimum of ½ inch. chain.
5. Pull trucks are required to be on the fairgrounds **by 4pm** and are encouraged to be in the pits **by 5pm.** and ready for the drivers meeting, you will be notified upon registration what time.
6. All trucks must have an extinguisher.
7. Front wheel drive and 6x6's must be approved and may be categorized as an exhibition.
8. No pickups or tractors. Must be Class 8.
9. Shut down = before 100 ft. IF YOUR TIRE IS 1" PAST THAT'S YOUR FOOTAGE!
10. First puller in class has the option to re-pull and will do so last.
11. We allow 3 try's to hook (hitches) and you must inspect and approve, Big Iron is not responsible for damage or malfunction of the hitches, chains, etc.
12. Registration includes 1 armband for driver and 1 pull, fee is \$20.00
13. Safety equipment is greatly appreciated!
14. All entries are subject to approval or change by Big Iron Board.

*CALL IN's are recommend if you are unable to be on the premises by Saturday 4pm.

Brenda 507-254-4007

Call times- Thursday 1pm thru Saturday Noon, CALL IN's will be placed randomly for lineup.

Truck Pull registration will be SHUT DOWN by 3pm!

CLASS CATEGORIES

1. **ANTIQU**E - 25 yrs or older, stock, no modifications, no hotrods or mods, no weights, *Hitch height- 20"*
2. **ROAD** - must have valid license plate, working truck, no weights, *Hitch height- 20"*
3. **MODIFIED MECHANICAL**- mechanical motor, modifications allowed but are subject to approval, no weights, *Hitch height- 20"*
4. **MODIFIED ELECTRONIC** - electronic motor, rear axle must be chained or rigid, no weights, *Hitch height- 18"* Weight of sled will remain the same for Open class.
5. **OPEN** - Open class trucks will be weighed, weight should not exceed 20k with a 200 lb variance, safety equipment is highly recommended. *Hitch height - 18"* Weight of sled will remain the same from Modified Electronic.

BRAGGING RIGHTS

Top 3 participants from **Road & Modified Mechanical** will have a pull off after Open Class if time is permitted.

Top 3 participants from **Modified Electrical & Open** will also have pull off after Road and Modified Mechanical have theirs if time permits.

Check with staff before lining up, if you are not in line or have not notified staff we will assume you opted out.

Due to time constraints we may have to take the top 1 or 2 of each class, so please check with staff and be prepared to pull again.

Floating finish in all pull off classes, there will be no re-pulls.

BIG IRON CLASSIC PULL T-SHIRT

To determine who goes on the next years T-Shirt we will pull a "CLASS" out of a hat, this includes Antique, Road, Mod. Mechanical, Mod. Electronic & Open. Whomever received 1st place in the class pulled will be on the T-Shirt. We will not have any repeats from previous years.

PLEASE REMEMBER THIS IS NOT A SANCTIONED PULL, THIS IS FOR PURE ENTERTAINMENT AND BRAGGING RIGHTS, SO BE SAFE, USE GOOD JUDGEMENT AND HAVE FUN.

AS VOLUNTEERS WE DO OUR BEST TO ACCOMMODATE EVERYONE AND TRY TO MAKE THIS FAIR, IF YOU HAVE QUESTIONS OR CONCERNS PLEASE ASK THEM BEFORE OR AT THE MEETING. SUGGESTIONS ARE GLADLY APPRECIATED AS WE TRY AND KEEP UP WITH TECHNOLOGY AND CHANGES!

Upon arrival parking may be a challenge for Truck Pull participants due to lack of room, if necessary you may park in the pit area, or south of the track if ground permits. If you need assistance please contact staff and we will do our best to accommodate you.
